# THE STEWARDSHIP OF POSSIBILITY

How will God work in and through us this year?

## IN US

**Worship:** God shapes us through music, sermons, weekly rituals of lighting candles, giving, prayer & fellowship.

**Discipleship:** Our hearts are stretched and changed through Bible study, conversation & hard questions in safe spaces.

**Baptism, Confirmation & New Members:** As we claim our identity in Christ, resurrection and new life become a daily rhythm.

**Relationships:** We can't be Christians by ourselves. Our faith grows and is challenged in our relationships.

**Serving Others:** Whether it's through serving as greeter, an offering counter, bringing food for Fellowship Time, mowing the grass or setting up tables for a special event, God works in our hearts as we put others first.

## THROUGH US

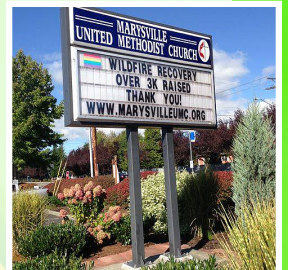

**Local Mission:** People are watching to see if our faith makes a difference. Through Kloz 4 Kidz, Food Bank, & a variety of other projects, the world sees that it does.

**National & International Mission:** Through wildfire recovery efforts, projects in Kenya & more, we're being the hands and feet of Christ!

**Children & Youth:** We create intentional space for infants - 12th grade to connect with God, the Bible and discipleship in a way that works for them.

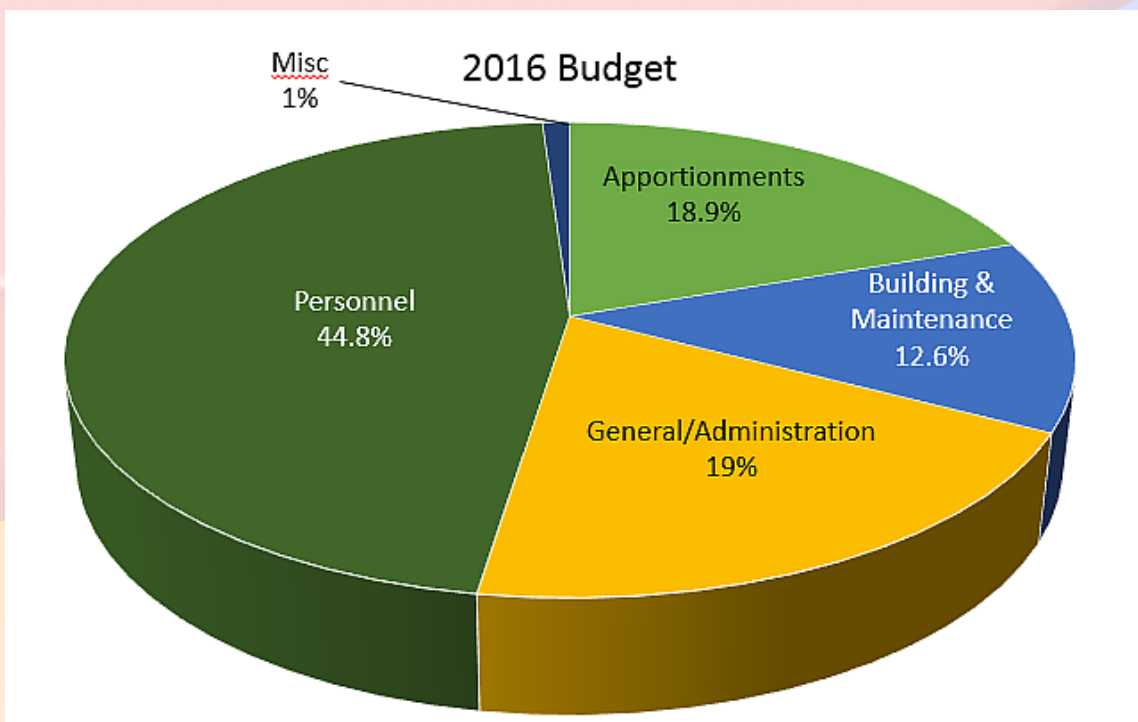

**Building Partnerships:** God works through us every week as we partner with A Stable Beginnings Preschool, Marysville Rotary, a support group for victims of domestic violence & our Cub Scouts.

**Care for our Physical Space:** We seek to be great stewards of the space and resources we have.
